MT. CARMEL UMC

Your participation in the tournament helps us to continue our services to Frederick County children, youth, seniors, and adults. Each week, our building is alive with activity. Mt. Carmel's Hope Community Preschool provides opportunities for early childhood learning and social development. We continue to host exciting and engaging opportunities for children, teens, and adult to develop and grow emotionally and spiritually and have fun. Our large multipurpose room is perfect for your community event. We currently host scout groups, music programs, and senior events. We make a difference in our community: one life, one child at a time! We need your help!

Our mission is to fully support Frederick County and to enrich the lives of children, youth, adults, and seniors in our community. Mt. Carmel UMC reaches, transforms, and equips persons for lifelong discipleship through wisdom, biblical study, service, and outreach.
