

Summer Fun at HOPE

Are you looking for a half-day program for your child while FCPS is still in session...?

Camps will be offered at BOTH locations.

**Children will have the opportunity to enjoy fun games and activities through a specific theme each week. The theme will include arts and crafts, music and movement, stories, snacks, and outdoor play (weather pending).

**Children should provide their own snack and drink each day.

**Enrollment is on a first-come, first-served basis. The New Market location can have 15 children each week and Mount Carmel can have 25 children. Classes will be led by our preschool teachers and assistants. Both classrooms will be utilized.

***If any camp does not have enough enrollment 2 weeks prior to the start date, HOPE reserves the right to cancel that class or combine classes/locations.*

**Serving children ages 2-5 for HOPE Preschool students, siblings, and the community.
