

Summer Fun at HOPE

Are you looking for a half-day program for your child while FCPS is still in session...?

Choose one week or all 3!

**Children will have the opportunity to enjoy fun games and activities through a specific theme each week. The theme will include arts and crafts, music and movement, stories, snack and outdoor play (weather pending).

**Children should provide their own snack and drink each day.

**A maximum of 25 children will be enrolled each week on a first-come, first-served basis. Classes will be led by our preschool teachers and assistants. Both classrooms will be utilized.

**If any camp does not have enough enrollment 2 weeks prior to the start date, HOPE reserves the right to cancel that class.

**Serving children ages 2-5 for HOPE Preschool students, siblings and the community.
